Chancellor's Message:

William Carey University, Meghalaya is a unique vision. It is an institution that does not just concentrate on academics alone but also integrate socio-economic and environmental realities of Meghalaya in particular and the North East India in general. Universities have become academic “ivory towers” and merely operating as degree mills, however William Carey University, Meghalaya is set to propel a paradigm shift in this context.

Established by the Gazette of Meghalaya No. 76 William Carey Act 2005, the William Carey University, Meghalaya has been functioning since 2005 with the first batch of students coming in 2008.

William Carey University, Meghalaya has made steady progress with various programs on offer that will fulfil our vision of facilitating youth in their journey of life.

Prof. (Dr.) Anand Kumar Gupta

Chancellor

Vice-Chancellor's Message:

Hello friends and fellow citizens,

I am happy to present to you our University and welcome you to be involved in the progress of the University as its stakeholders. Over the past 17 years, William Carey University, Meghalaya has grown in stature and is today recognized as one of the premier Universities in the North East India. William Carey University, Meghalaya is University Grants Commission (UGC) recognized and Pharmacy Council of India (PCI) approved. With a mere 4 departments to begin with on the campus today our University has 28 Departments offering various course and programs in the Diploma, Post-Graduation Diploma, Under Graduate, Post Graduate and PhD levels.

Our University is known for conducting its academic programs and examinations as per schedule. The credit based yearly/semester system, at the Diploma, Post-Graduation Diploma, Under Graduate, Post Graduate and PhD working well.

Adequate infrastructure is always a priority for the University. The basic facilities available on the campus include: Administrative section, Faculty sections, Library cum Reading Room, Student and Hostels Assistance Linkages, Career Counseling and Placement Cell with cent percent interview assistance, Online Admission portal as well as Offline Admission facilities, Well-equipped Computer laboratory, Science Laboratories, Pharmacy Laboratories, National Service Scheme(NSS) and regular student development programs, Free Computer Certification, Field trips and Internships. Multi-disciplinary and Inter-disciplinary approach to holistic and integrated approach to life and study through field works/projects/dissertations are imparted. Among other facilities: All the offices of our University are computerized and we are adopting e-governance initiatives. Our teaching faculties have rendered themselves creditably in teaching and research activities.

A Research and Consultancy Promotion Cell (RCPC) has been constituted to promote and strengthen research programs of our University. It is also felt that the consultancy programs needs to be strengthened to encourage the faculty to work in collaboration with industries and institutions in the area of their expertise. Faculties and departments are engaged in and conducting researches, seminars and conferences in collaboration with institutions like Indian Council for Social Science Research, North Eastern Council and various departments of the State Government. University-Industry interactions are being strengthened and the University proposes to start skill development programs in collaboration with industries soon. CCTV cameras are installed on the campus for providing safe and secure environs to the students and other stakeholders. University is also encouraging extension activities through village adoption programs to strengthen the linkage with society. The “Swachh Bharat” program is being carried out very effectively involving the NGOs and the local people.

The International Study Centre is doing well and the University has begun to attract International students for PG and Research programs. Life at the campus is invigorating and wholesome. William Carey University is an integral part of nation building among cultural diversities of the region. The University tries to reach that goal by engaging with the community and celebrating all meaningful events and important national festivals and days on campus.

The processes of Admissions and Examinations are full computerized. The University provides a safe and peaceful environment that is conducive to learning with the active support of students, faculty, administrative staff and the University authorities.

The “William Carey University Alumni Connect” helps to preserve and strength the connection between the alumni at home and abroad. The alumni aim to share information regarding the latest initiatives of the institution, to honor distinguished alumni for supporting in brand building, to organize networking get-together and overall development of the William Carey University. William Carey University has also adopted the ‘Zero Tolerance Policy’ towards ragging since its inception. No act of ragging, major or minor shall go unnoticed.

William Carey University, Meghalaya has adopted the NATIONAL EDUCATION POLICY (NEP) 2020. The aim is the removal of any differentiation between vocational instruction and general learning by conveying the commonness in the various learning outcomes at various grades. Intrinsically, those courses focused on practical work and preparing students for a particular trade or skilled profession shall be taken by such students who want to hone their capability in a particular realm of interest and work towards their increment so that their chance of employ-ability is enhanced.

William Carey University, Meghalaya, a pioneer in holistic and integrated educational planning and management in the State of Meghalaya has already made the beginning. Following the various guidelines of the NEP 2020 several improvements and new modifications in the higher education sector has been already adopted. Currently, at William Carey University, Meghalaya students at the under graduate level are being offered various courses under the new curriculum based on the NEP 2020. The NEP 2020 is another significant instrument of realising Viksit Bharat @2047: The Voice of the Youth. Hence, the University is continuously empowering the faculty and the students through training opportunities and skill and entrepreneurship development programs.

The University by its own strategy focus to engage with the youth, it encourages creative thinking, perception, and functional aspects of the knowledge acquired by the students and thereby push for skill development. The Skill Enhancement Courses (SEC) at William Carey University, Meghalaya strives towards the holistic development of the student. Every student is intended to be empowered with skill set that would increase the employ-ability of the student even with a diploma and make them future - ready. Every step of the under graduate program is crucial and is complete in its own way. Technology and technology based teaching, learning process is promoted, all man made barriers, that are also known as artificial barriers e.g. barriers created due to languages, are sought to be removed at this University. The special focus is on underrepresented and under privileged sections of the society.

As a Higher Educational Institute, the William Carey University, Meghalaya is committed to contribute positively towards Viksit Bharat (Transforming India into a developed country) as well as Shaksham Bharat (Transforming India into an empowered and enabled country).

I am confident that William Carey University, Meghalaya, which is a State Private University, besides serving the local community, will continue to strengthen national interests and also mould international opinions and strive towards greater excellence.

The call is to join in this collaborative journey forward with William Carey University, Meghalaya, where an emphatic environment empowers the learner.

Vice Chancellor

Prof. Dr. Soma Bhowmick

Registrar's Message:

Greetings from the Registrar's Desk,

William Carey University, Meghalaya is guiding the young generation on the right path in education. There are experienced and learned faculty members in the university who are teaching and guiding students and scholars not only to understand and analyse but also to help bring out new findings successfully. The university teachers motivate and enlighten students and scholars in every sphere. Students and Scholars implement what they learned during their studies to benefit society and humanity as a whole.

The university provides student centric, quality, skill-based and career led education. The university also provides assistance in finding appropriate job opportunities through its training and placement cell. The achievements of our alumni are commendable and many of them are in a high position in cooperative and government sectors. Our present students and scholars are excellent in different disciplines and in due course, they will be outstanding and successful.

I invite you all to join William Carey University, Meghalaya to build up your personality and to be in your dream career.

Welcome and Best wishes to all.

Dr. P G Jangamlung Richard
Registrar

About the University

William Carey University was established vide The William Carey University Act, 2005 (Act No. 13 of 2005) of 13th July 2005 by the Gazette of Meghalaya. The Governor of Meghalaya has accorded sanction for the establishment of the University.

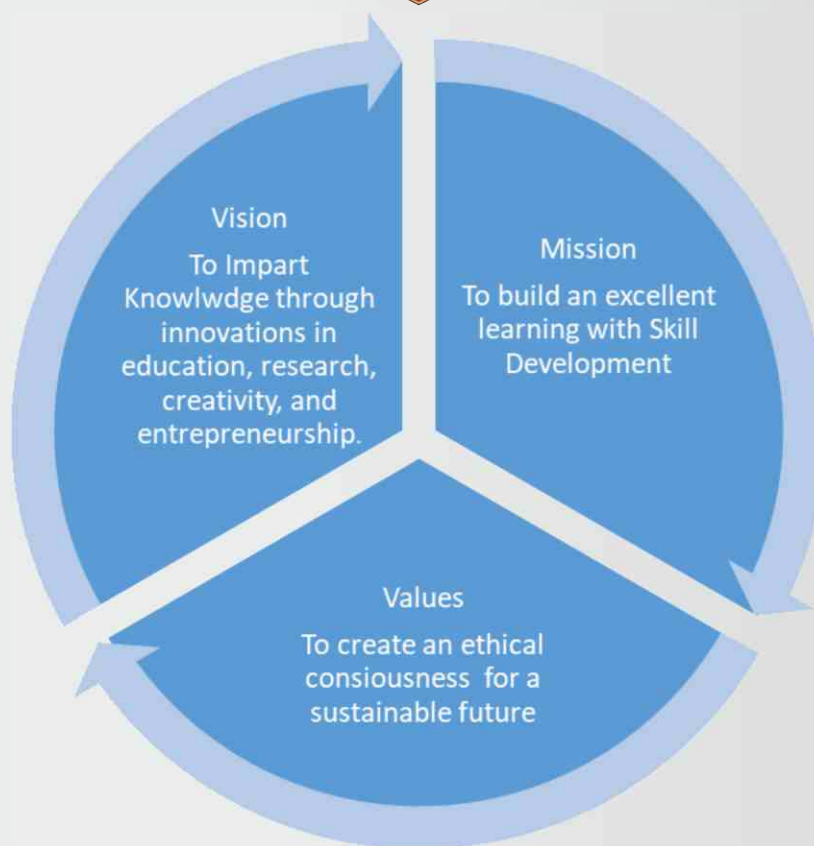

The university is founded to contribute and to unleash the genius and potential of North East India. It has an avowed focus on offering high quality education and scope of ground breaking research to students and scholars especially of the South East Asian region and facilitate a platform of confluence for students and scholars of India along with a global outlook.

Mission and Vision

- William Carey University is a unique institution where academia integrates with the socio-economic and environmental realities in order to bring about constructive transformation in the lives of the people and their contexts.
- The University brings together social, economic, environmental, cultural and academic activities in order to facilitate integrated growth for the community.
- An innovative range of study programs and research are being conducted within the distinctive context of the hill regions of NE India. Local cultures and the natural environment are being sustained alongside socio-economic development.

Fig: Mission of William Carey University

WILLIAM CAREY GLOBAL CONNECT

- The William Carey University, as per University Grants Commission (UGC) and in line with visions of NEP-2020 has started an initiative called William Carey Global Connect (WCGC) to coordinate matters relating to welcoming and support foreign students desirous of admission into various departments of the university.
- It is also engaged in promotion activities and brand building, disseminating information related to admission process. It also acts as liaison between foreign students/scholars and their collaborative activities with foreign institutions and educational institutions.

STUDENT'S GRIEVANCE CELL

A Student's Grievance Cell is established to provide a mechanism to students and scholars for redress of their grievances with regard to their complaints on academic and non-academic matters, grievances related to assessment, victimization, attendance, charging of fee, conducting of examinations, harassment by colleague students or teachers etc.

The Cell is dedicated to promote and maintain a conducive and unprejudiced educational environment in the university so that the dreams of the students and scholars at the William Carey University are realized.

WCU LIBRARY

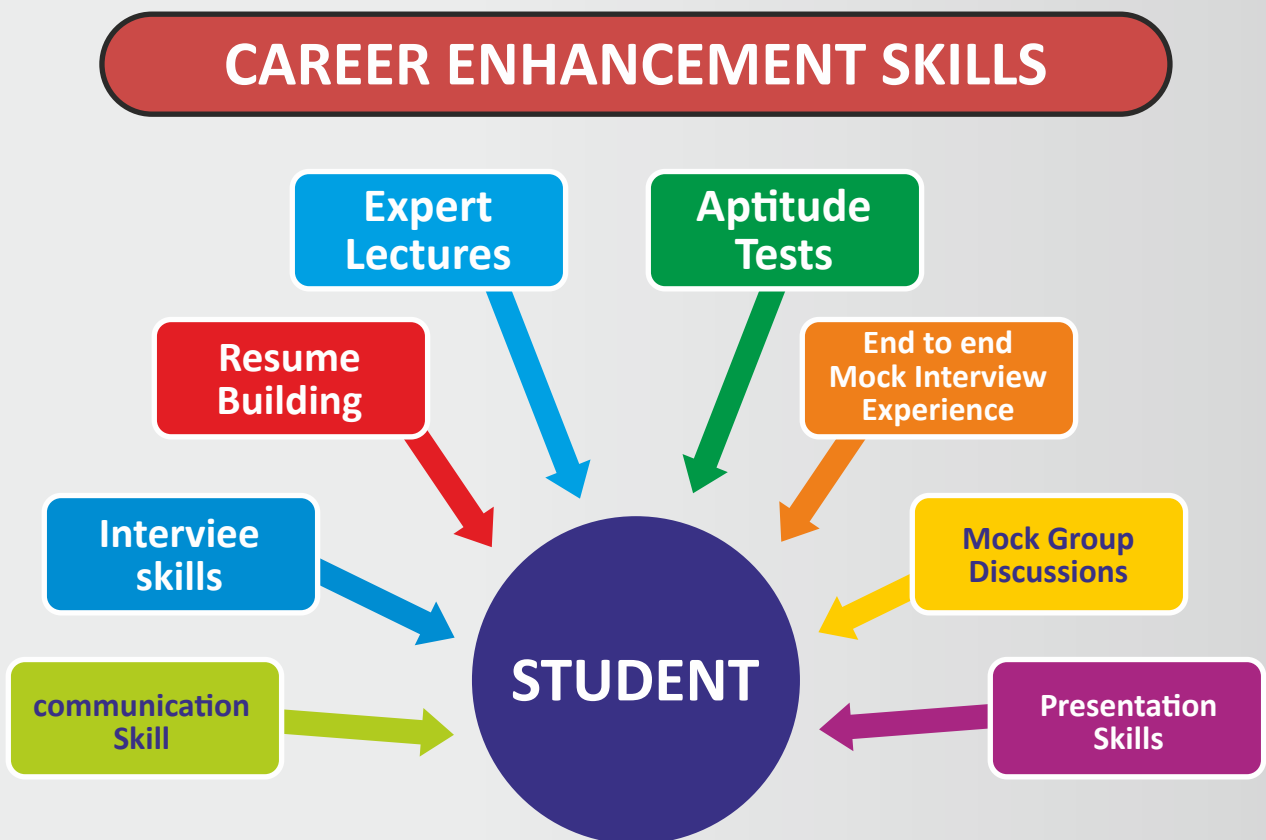

- William Carey University Library is an academic library which caters the need of the students, research scholars and faculty of this University.
- Library is a growing organism and so multiple volumes of books and journals are added each year. Library now houses more than 6000 volumes of books, journals, articles, etc.
- The print collection includes books, research reports, reference books and back volumes of periodicals etc. In addition to the professional reading the library provides a good amount of reading like daily newspapers and some books for soft skills development. All subjects related to the University's academic program have been included in the library collection.
- A user- friendly library software called KOHA has been adopted at the Library. This internationally recognized software facilitates automated circulation (issue & return) of the books and speedy access to bibliographies, locations and availability information of the books stocked in the library.

TRAINING AND PLACEMENT CELL

- ❖ The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The Department of Training & Placement is the backbone of any institute.
- ❖ The main objective of any training and placement cell is to assist students develop/clarify their academic and career interests, and their short and long-term goals through individual counseling and group sessions also to assist students develop and implement successful job search strategies.

Skills offer to WCU students

NATIONAL EDUCATION POLICY (NEP) 2020

NEP 2020 was approved by the Union Cabinet on 29 July 2020. It outlines the vision of 21st century India and replaces the 1986 policy. The policy aims at transforming the education system by 2040 as a knowledge society & global knowledge super power. William Carey University had implemented NEP 2020 in undergraduate program from the year 2023.

IMPACT of NEP 2020

- Better Institutions: Universities & Colleges
- Institutional restructuring & consolidation
- Holistic and Multi-Disciplinary Education
- Optimal Learning Environments & Student Support
- Equity & Inclusion
- Teacher Education: Motivate, Energised and Capable faculty
- Re imagining Vocational Education
- Quality Academic Research: New National Research Foundation
- Transforming the Regulatory System of Higher Education
- Effective Governance and Leadership for Higher Educational Institutions (HEIs)

DEPARTMENT OF RURAL DEVELOPMENT:

The Department of Rural Development was started with the focus to make the students aware and study of various program implemented by the Ministry of Rural Development. This will help the students to have confidence working with the state and district Rural Development department shaping their own community towards overall sustainable development.

Career Scope:

- Government Sector
- Rural Industries
- Rural Manager
- Banks
- Analyst
- Research Officers
- Non-Governmental Organization
- Development Manager

POST GRADUATE DIPLOMA (RURAL DEVELOPMENT)

Duration: 2 semesters.

Eligibility: Graduation in any stream from a recognized board.

UG COURSE: BACHELOR OF ARTS (RURAL DEVELOPMENT)

Duration: 6 semesters.

Eligibility: 10+2 examination or qualifying any 12th grade examination with a minimum aggregate listed under a recognized board

PG COURSE: MASTER OF ARTS (RURAL DEVELOPMENT)

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university with a minimum aggregate.

DEPARTMENT OF SOCIAL WORK:

Social Work is a profession and a social science committed to social justice, the quality of life and to the development and full potential of each individual, group and community in society. Social Work Education is a professional course which trains students to understand, assess and try to solve social problems.

Career Scope:

- Medical Social Worker
- Community Development Officer
- International Social Worker
- Corporate Sector
- Family Advocate
- Research
- Behavioral Health Technician
- Human Right Agencies
- Justice and Correction
- Counselor
- Case Manager
- Mental Health Social Worker
- Criminal Justice Social Worker
- Government
- Welfare Office
- Developmental Disabilities
- Human Services Specialist
- Maintaining case file and records
- Healthcare
- Child Welfare
- NGO's
- Education
- Probation Officer
- Aging Individuals

UG COURSE: BACHELOR OF SOCIAL WORK (BSW)

Duration: 6 semesters.

Eligibility: 10+2 examination or qualifying any 12th grade examination with a minimum aggregate listed under a recognized board.

PG COURSE: MASTER OF SOCIAL WORK (MSW)

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university with a minimum aggregate.

SCHOOL OF PHYSICAL SCIENCES

DEPARTMENT OF CHEMISTRY:

Chemistry plays a vital role towards the development and growth of a number of industries like pharmaceuticals, chemical manufacturers, agrochemicals, glass, paper, textile, leather etc. The demand for chemists is also increasing in oil, gas, power and defence sectors.

Career Scope:

- Chemist
- Pharmaceutical Sales Executive
- Chemistry Teacher
- Quality Control Chemists
- Analytical Chemists
- Junior Research Associate
- Analytical Chemist
- Forensic Assistant Scientist
- Hazardous Material Management Chemist
- Organic Chemists
- Lab Assistant
- Chemical Technicians

UG COURSE: BACHELOR OF SCIENCE (CHEMISTRY)

Duration: 6/8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate

PG COURSE: MASTER OF SCIENCE (CHEMISTRY)

Duration: 4 semesters.

Eligibility: B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board

DEPARTMENT OF PHYSICS:

The Department of Physics has the vision to aid in building a foundation for excellence and development of the institution as a premier Institution by igniting and nurturing enthusiasm, interests and passion in the study of Physics.

Career Scope:

- Academic Sector
- Consulting Physicist
- Research Scientist
- Radiologist
- Laboratory Supervisor

UG COURSE: BACHELOR OF SCIENCE (PHYSICS)

Duration: 6/8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate

PG COURSE: MASTER OF SCIENCE (PHYSICS).

Duration: 4 semesters.

Eligibility: B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board

DEPARTMENT OF MATHEMATICS:

The Department of Mathematics aims to create a solid foundation for the assimilation of mathematical concepts and structures and build mathematical skills like creative, logical and analytical thinking. Software such as C programming is used to increase the understanding of the fundamental mathematical concepts.

Career Scope:

- Mathematician
- Software Developer/Engineer
- Investment Analyst
- Research Scientist
- Statistician
- Sound Engineer
- Meteorologist
- Data Scientist
- Teacher/Professor
- Financial Analyst
- Astronomer
- Data Analyst

UG COURSE: BACHELOR OF SCIENCE (MATHEMATICS)

Duration: 6/8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate.

PG COURSE: MASTER OF SCIENCE (MATHEMATICS)

Duration: 4 semesters.

Eligibility: B.Sc.in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

SCHOOL OF LIFE SCIENCES

DEPARTMENT OF ZOOLOGY:

Zoology is a broad and conventional branch of biology that deals with study of the animal kingdom. With its diverse sub-branches and specialization zoology as a subject offers a lot of scope.

Career Scope:

- Zoologist
- Zoo-Curator
- Researcher
- Animal Nutritionist
- Ecologist
- Environmental Consultant
- Conservationist
- Zookeeper
- Museum Curator
- Teaching

UG COURSE: BACHELOR OF SCIENCE (ZOOLOGY)

Duration: 6/8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate

PG COURSE: MASTER OF SCIENCE (ZOOLOGY)

Duration: 4 semesters.

Eligibility: B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

DEPARTMENT OF BOTANY:

The Department of Botany strives to empower students with a holistic and comprehensive education across a wide range of subject areas, which would enable them to contribute effectively to basic and applied education and research in plant biology.

Career Scope:

- Botanist
- Forest Department
- Botanical Survey of India
- Agriculture
- Soil and Conservation
- Environmental Consultant
- Researcher
- Teaching

UG COURSE: BACHELOR OF SCIENCE (BOTANY)

Duration: 6/8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate

PG COURSE: MASTER OF SCIENCE (BOTANY)

Duration: 4 semesters.

Eligibility: B.Sc.in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

DEPARTMENT OF MICROBIOLOGY:

Microbiology is a well know disciplinary subject that coincides with other fields of life sciences. The study of microorganisms has never been more important as of today with increasing incidences of outbreak of infectious diseases and pathogens.

Career Scope:

- Research associate
- Biomedical scientist.
- Microbiologist.
- Pharmacologist.
- Ecologist.
- Science writer.
- Food technologist.

UG COURSE: BACHELOR OF SCIENCE (MICROBIOLOGY)

Duration: 6/8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate

PG COURSE: MASTER OF SCIENCE (MICROBIOLOGY)

Duration: 4 semesters

Eligibility: B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

SCHOOL OF HUMAN & ENVIRONMENTAL SCIENCES

DEPARTMENT OF GEOGRAPHY:

The department of Geography aims at providing opportunities to our students to understand all aspects of the discipline through its—theories, practical, projects/dissertations. In the applied aspects of the discipline the students are encouraged to make models to showcase the importance of the subject.

Career Scope:

- Civil Service
- Data Analyst
- Researcher
- Urban Planners
- Cartographers
- GIS Specialist

UG COURSE: BACHELOR OF ARTS/ BACHELOR OF SCIENCE (GEOGRAPHY)

Duration: 6/8 semesters.

Eligibility: 10+2 in any stream from a recognized board with a minimum aggregate

MASTER OF ARTS/ MASTER OF SCIENCE (GEOGRAPHY)

Duration: 4 semesters.

Eligibility: Graduation in Geography or its equivalent degree with a minimum aggregate listed under a recognized board

DEPARTMENT OF ENVIRONMENTAL MANAGEMENT AND SCIENCE:

The Department of Environmental Management and Science was established with the vision to systematically study environment in relation to sustainable development. Learners will understand and know the basic concepts of environment and analyse and classify the various issues in environmental sustainability in the face of modern developmental activities.

Career Scope:

- Civil Service
- Botanical Survey of India
- Environmental Consultant
- Eco-Tourism
- Researcher
- Agriculture
- Pollution Control Board
- Healthcare Sector
- Forest Department
- Soil and Conservation
- Zoological Survey of India

UGCOURSE:

1. BACHELOR OF ARTS (ENVIRONMENTAL MANAGEMENT)

Duration: 6/8 semesters.

Eligibility: 10+2 in Arts/Commerce stream from a recognized board with a minimum aggregate.

2. BACHELOR OF SCIENCE (ENVIRONMENTAL SCIENCE)

Duration: 6/8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate

PG COURSE:

1. MASTER OF ARTS (ENVIRONMENTAL MANAGEMENT)

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university with a minimum aggregate.

2. MASTER OF SCIENCE (ENVIRONMENTAL SCIENCES)

Duration: 4 semesters.

Eligibility: B.Sc.in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board

DEPARTMENT OF AGRICULTURE:

The department aims to be the centre of quality education and training that will be able to produce agriculturists with excellence who can contribute their knowledge and skills to the farming community as well as in developing technologies that can be adopted readily by the region.

Career Scope:

- Government Research Institute
- Food Technology Companies
- Government Jobs (Central and State)
- Fertilizer Manufacturing Firms
- State Agriculture Universities
- Seed Manufacturing Companies
- Banks
- Agriculture Fields
- Teaching

BACHELOR OF SCIENCE (AGRICULTURE)

Duration: 8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate

MASTER OF SCIENCE (AGRICULTURE)

Duration: 4 semesters.

Eligibility: B.Sc.in Agriculture or its equivalent degree with a minimum aggregate listed under a recognized board

SCHOOL OF ECONOMICS & MANAGEMENT STUDIES

DEPARTMENT OF COMMERCE:

Department of Commerce is guiding youths of the state to become employable as well as motivating them to become job creators as well. The department is committed to integrate all facets of commerce to educate and train innovative and competent human resources globally suitable for industry, business and service sector and to equip and encourage them to start their own ventures especially in areas where employment is an issue.

Career Scope:

- Chartered Accountant
- Actuary
- Entrepreneur
- Economist
- Retail Manager
- Marketing
- Company Secretary
- Wealth Management
- Financial Management
- Data Analyst
- Stock Trader
- Investment Banker
- Accountant
- Budget Analyst
- Civil Services
- Insurance Agent

UG COURSE: BACHELOR OF COMMERCE (B.Com)

Duration: 6/8 semesters.

Eligibility: 10+2 in commerce stream from a recognized board with a minimum aggregate

PG COURSE: MASTER OF COMMERCE (M.Com)

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university with a minimum aggregate

DEPARTMENT OF MANAGEMENT:.

The Business Administration Programme aims at imparting professional education and training in modern management techniques for handling business operation in a highly dynamic and competitive environment. The programme is intended to have the following objectives:

1. Developing the ability to recognize and analyze problems.
2. Developing analytical and decision making skills.
3. Providing insight into the fundamental nature of management process and human behavior in the organization.
4. Developing the ability to formulate goals and to create commitment to these goals in a given organization.
5. Developing an insight into the various organizational problems in the context of changing Technological, Economic, Social and Political Scenario.

Career Scope:

- Business Administration Researcher
- Business Consultant
- Marketing Executive
- Sales Executive
- Service Manager
- Front Office Executive
- Event Manager
- Sales Coordinator
- Hr Generalist
- Staffing Director
- Compensation Manager
- Placement Manager
- Project Manager
- Marketing Manager
- System Manager
- Human Resource Executive
- Information Systems Manager
- Career Development Officer
- Recruiting Coordinator
- Customer Relationship Manager
- Customer Care Executive
- Health Service Manager
- Retail Manager
- Technical Recruiter
- Employee Relations Manager
- Business Development Manager/executive
- Analytics Manager
- Data Processing Manager
- Business Analyst

UG COURSE: BACHELOR OF BUSINESS ADMINISTRATION (BBA)

Duration: 6/8 semesters.

Eligibility: 10+2 in any stream from recognized board with a minimum aggregate

PG COURSE: MASTER OF BUSINESS ADMINISTRATION (MBA)

Duration: 4 semesters

Eligibility: Graduation in any subject from a recognized university with a minimum aggregate.

DEPARTMENT OF ECONOMICS:

The vision of the economics department is to make each and every student participate in academic proceeding along with active participation in socio-cultural activities. Moreover, active participation of both the students and teachers in all the activities is the main objective, goal and vision of the Department of Economics. The Department of economics focuses on Applied Economics, Banking, International Economics, Agriculture Economics, Industrial Economics, Growth & Development etc.

Career Scope:

- | | | | | |
|----------------|-------------------|----------|----------|------------------|
| Economist | Banking | Teaching | Research | Business Analyst |
| Trade Analysts | Marketing Manager | | | |

UG COURSE: BACHELOR OF ARTS (ECONOMICS)

Duration: 6/8 semesters.

Eligibility: 10+2 in any stream from recognized board with a minimum aggregate

PG COURSE: MASTER OF ARTS (ECONOMICS)

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university with a minimum aggregate

SCHOOL OF TECHNOLOGY

DEPARTMENT OF COMPUTER SCIENCE:

Computer Science is the study of different programs that involves data and is represented by multiple programs. The Department is committed to excellence in undergraduate and graduate teaching, research, and service aiming to contribute to the socio-economic development of Puerto Rico through. The education of a diverse, well-rounded, entrepreneurial engineering work-force with a keen sense of social responsibility and a vocation for global engagement. The production of new knowledge and the transfer of technology. The cultivation of strong ties with community, governmental and nongovernmental organizations.

Career Scope:

- Application analyst
- Data analyst
- Games developer
- Software engineer
- Web designer
- IT sales professional
- Network engineer
- Applications developer
- Forensic computer analyst
- Machine learning engineer
- Systems analyst
- Web developer
- IT trainer
- Telecommunications researcher
- Cyber security analyst
- Game designer
- Penetration tester
- UX designer
- Business analyst
- Nanotechnologist

DIPLOMA IN COMPUTER APPLICATION (DCA):

Duration: 2 semesters.

Eligibility: 10+2 examination or qualifying 12th-grade examination in any relevant stream of Science Arts/Commerce with a minimum aggregate listed under a recognized board.

POST GRDUATE DIPLOMA IN COMPUTER APPLICATION (PGDCA):

Duration: 2 semesters.

Eligibility: 10+2+3 examination or qualifying any graduation examination with a minimum aggregate listed under a recognized board.

BACHELOR OF SCIENCE (COMPUTER SCIENCE / INFORMATION TECHNOLOGY):

Duration: 6/8 semesters.

Eligibility: 10+2 in Science stream from a recognized board with a minimum aggregate

BACHELOR OF COMPUTER APPLICATION

Duration: 6 semesters.

Eligibility: 10+2 in any relevant stream from a recognized board with a minimum aggregate.

MASTER OF SCIENCE IN COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

Duration: 4 semesters.

Eligibility: B.Sc. in CS/ IT/ Electronics or BCA or its equivalent degree with a minimum aggregate listed under a recognized board.

MASTER OF COMPUTER APPLICATION

Duration: 4 semesters.

Eligibility: B.Sc. in CS/ IT/ Electronics or BCA or its equivalent degree with a minimum aggregate listed under a recognized board.

DEPARTMENT OF LIBRARY SCIENCE AND INFORMATION SCIENCE:

Library science is an interdisciplinary subject. It is an outcome of the Information science and Library studies. Hence, it is also called the Library and Information science. Library science deals with the organization, arrangement, preservation, collection, shelving, categorization and management of the library materials such as books, texts, titles, journals, newspapers and old editions.

Career Scope:

- Academic Librarians
- Arts Librarians
- Digital Content, Curation and Collections
- Digital Librarian
- Information Architecture
- Law Librarians.
- Archives and Records Management
- Children's Service Librarian
- Digital Humanities
- Government Documents Librarians
- Information Technology Leadership

UG COURSE: BACHELOR OF LIBRARY & INFORMATION SCIENCE

Duration: 2 semesters.

Eligibility: Bachelor degree in relevant subject from a recognized university with a minimum aggregate

PG COURSE: MASTER OF LIBRARY & INFORMATION SCIENCE

Duration: 2 semesters.

Eligibility: Graduation in Library Science or relevant subject from a recognized university with a minimum aggregate

SCHOOL OF DESIGN & APPLIED ARTS

DEPARTMENT OF FASHION DESIGN:

The course of fashion Design aims to develop and provide professional graduates through leadership in education and training that will meet the needs and expectation of the fashion socials and human values. The core mission is to create skills in design, fashion theory and innovation developments that will enable students to achieve their goals both design and construction.

Career Scope:

- Fashion Designer
- Entrepreneur
- Sale Associate
- Stylish
- Visual Merchandiser
- Sale Professional
- Retail Manager
- Textile Designer
- Digital Fashion Analyst

DIPLOMA (FASHION DESIGNING).

Duration: 2 semesters.

Eligibility: 10+2 examination in any stream from a recognized board with a minimum aggregate.

POST GRADUATE DIPLOMA (FASHION DESIGNING)

Duration: 2 semesters.

Eligibility: Graduation in any stream from a recognized board with a minimum aggregate.

UG COURSE: BACHELOR OF FASHION DESIGNING

Duration: 6/8 semesters.

Eligibility: 10+2 in any stream from a recognized board with a minimum aggregate.

PG COURSE: MASTER OF FASHION DESIGNING

Duration: 4 semesters.

Eligibility: Graduation in relevant subject (Fashion/Interior/Textile Designing) from a recognized university with a minimum aggregate.

DEPARTMENT OF FINE ARTS

Fine Arts are indeed an aesthetic and creative career choice. Aristotle once said that the major objective of art is to exhibit the inner creativity of things and not the outer significance. It teaches and prepares students to become artists and to follow other practices that are associated with the making of art.

Career Scope:

- Advertising art director
- Art therapist
- Commercial art gallery manager
- Concept artist
- Glass blower/designer
- Illustrator
- Art-worker
- Conservator
- Fashion designer
- Interior and spatial designer
- Museum/gallery curator
- Animator
- Ceramics designer
- Community arts worker
- Fine artist
- Graphic designer
- Printmaker
- Arts administrator
- Exhibition designer
- Game artist
- Jewellery designer
- VFX artist

UG COURSE: BACHELOR OF FINE ARTS

Duration: 6/8 semesters.

Eligibility: 10+2 in any stream from a recognized board with a minimum aggregate.

PG COURSE: MASTER OF FINE ARTS

Duration: 4 semesters.

Eligibility: BFA or its equivalent degree with a minimum aggregate listed under a recognized board.

PhD/Doctoral Programs:

All UGC norms and regulations are followed while offering Doctoral Programs at the William Carey University. The William Carey University provides Doctoral Programs of research through theoretical, critical, contextual and applied scholarship, encouraging diverse analytic and integrated perspectives. The research program aims to provide professionals engaged in higher educational institutions with qualifications for higher levels of service, teaching, and research anywhere such a degree is required. The program consists of rigorous study and research in a chosen field of study within their particular contexts through an integrated program of learning.

Currently all research at the university and the award of degrees follows:

https://www.ugc.gov.in/pdfnews/0909572_Minimum-Standards-and-Procedure-for-Award-of-PhD-Degree.pdf

Program Outcomes:

- Achieves recognition/acceptance/equivalence through maintenance of International standards.
- Collaborates with international institutions on the basis of reciprocity.
- Develops scholars with interdisciplinary and an integrated approach to learning.
- Promotes Institute-Industry-Science Partnerships which match higher education with industry needs, transfer research findings from institution to industry and continuously re-orient curriculum towards greater development of socio-economic equality.

PhD Registration: On the successful completion of the six month mandatory Course Work examination and approval of the research proposal, the candidate will be issued a Registration Number which allows the candidate to pursue research. Without the Registration Number, a candidate will not be allowed to proceed with the research.

Submission of Thesis:

The thesis shall be an original work produced by the candidate with evidence of authenticity.

- Each candidate shall include a statement bearing his/her signature along with the thesis, thereby declaring that the thesis is a bona-fide work of the candidate.
- The thesis should consist of about 60,000 words, excluding the bibliography.
- The candidate should submit one page curriculum vitae, along with the thesis.
- The thesis should be written in English or in a regional language provided the candidate presents 1/3 of the thesis in English.

- The candidate should submit a 1000 word abstract of the thesis in English.
- Five copies of the thesis should be submitted to the institution after completing all the formalities.

Research Advisory Committee (RAC):

The Research Advisory Committee (RAC) will consist of the research guide/mentor; two experts from the field of study, with an additional member appointed from the branch other than that of the field of specialization to encourage an interdisciplinary and integrated approach. The Research Guide/Supervisor/Mentor shall be the chairperson of the committee.

Check out the William Carey University, Guidelines for Academic Integrity in the university website www.williamcareyuniversity.ac.in

Evaluation of Thesis:

- The thesis will be evaluated by a panel of two examiners as recommended by the Research Guide/ Supervisor/ Mentor.
- The examiners shall have to submit their evaluation reports within stipulated time period

Public Defence of Thesis:

On the recommendation of the examiners, the candidate is invited for Public Defence of the thesis.

- The panel for the Public Defences hall consists of the Vice Chancellor, Dean of Faculty, Members of the Research Committee and the examiners.
- The examiners will have to send questions for clarification by the candidate two weeks prior to the Public Defence.
- A copy of the abstract shall be made available to the members of the Panel two weeks prior to the Public Defence.
- A copy of the thesis will be kept in the library and copies of thesis will be sent to the UGC by the university after the award of degree

Clearance Certificate:

The candidate is required to obtain clearance certificates from the library, accounts department, hostel, and the sports department before the degree could be awarded.

Consolidated Recommendation: Based on the report of the External Examiner and the performance of the candidate in the Public Defence, the following recommendations may be made:

- The thesis is successfully completed and the Ph.D. degree can be awarded.
- The thesis needs revision in certain areas. (The areas for revision will be specified and set a time before which the candidate will need to resubmit the thesis).
- If the thesis did not meet the required standard, the candidate cannot be awarded the Ph.D. degree.

Publication of Thesis:

The candidate is encouraged to publish the thesis but with the prior permission of the institution as it reserves the right to publish.

Convocation:

Convocation is held at regular intervals by the University at Shillong. One can also receive the degree in absentia.

PhD Program Fee Structure:

Admission form & Entrance Examination Fee- ₹ 7000/- (in Cash) PhD Course Work Fee: Rs.40000/- Course work duration: 06 months Annual Payment (after proposal submission to RAC) 12 months: 40,000/- (North-East India scholar) Annual Payment (after proposal submission to RAC) 12 months: 55,000/- (Rest of India scholar) Annual Payment (after proposal submission to RAC) 12 months: 80,000/- (International scholar)

- Time Duration – upon successful completion of the compulsory course work (six months) the scholar is permitted 30 Months minimum for submitting one Ph.D. Thesis. (With or without NET qualification).
- In case of timely completion of the thesis, the fee for the last six months will be half of the annual payment.
- If time exceeds, annual fee will be charged.
- Pre submission fee- ₹7000.00
- Upon submission for thesis evaluation - ₹15,000.00
- Viva-voce fee - ₹15,000.00
- If time exceeds, Research scholars will have to re-register and annual fee will be charged.
- Course work is compulsory for all Scholars.

WCU Happenstance

We at William Carey University encourage our students to showcase their talents in all possible ways. The aptitude of students be it in science, literature, performing arts and sports are allowed to grow. We have the Science club, literary club, and the Varsity week where the students explore their inner voice and hidden talents. We are proud to say what happens in WCU goes a long way with our students.

PHARMACY PROGRAM

The College of Pharmacy, William Carey University, produces Pharmacists. Pharmacists are healthcare professionals who practice in pharmacy, which deals in the field of health sciences focusing on safe and effective medication use. They are licensed to prepare and dispense medications, involved in patient care, counsel patients, and monitor outcomes according to a prescription from a licensed health professional. Apart from drugs too, a pharmacist has holistic roles to play in anything that has chemicals, from the food you take to the products you use, all of this comes under the umbrella of pharmacy. They have an active role to play in many industries.

DIPLOMA IN PHARMACY (D.Pharm)

Diploma in Pharmacy is a full-time diploma program, the duration of which is two years. The eligibility of the course is passing of 10+2 examination or qualifying 12th-grade examination in any relevant stream and minimum aggregate listed under a recognized board.

Duration: 2 years.

Eligibility: 10+2 examination in any relevant stream from a recognized board.

Fee: 1st Year – Rs. 77,000/- , 2nd Year – Rs. 77,500/-

- Rs. 20,000/- per year additional fee shall be charged for students other than North-East India.
- Rs. 40,000/- per year additional fee shall be charged for International students.
- Fee for Migration Certificate & Provisional degree are included herein.
- Examination fee shall be charged separately at the time of filling the Examination form.

BACHELOR IN PHARMACY (B.Pharm)

Bachelor in Pharmacy is a full-time graduation program, the duration of which is 8 semesters. The eligibility of the course is passing of 10+2 examination or qualifying 12th-grade examination in any relevant stream and minimum aggregate listed under a recognized board or Diploma in Pharmacy.

Duration: 8 semesters.

Eligibility: 10+2 examination in any relevant stream from recognized board or D.Pharm (Lateral Entry)

Fee: 1st Semester – Rs. 68,500/- , 2nd Semester onwards – Rs. 58,500/-

- Rs. 10,000/- per semester additional fee shall be charged for students other than North-East India.
- Rs. 20,000/- per semester additional fee shall be charged for International students.
- Fee for Migration Certificate & Provisional degree are included herein.
- Examination fee shall be charged separately at the time of filling the Examination form.

Department of Law

The Department of Law aims at developing the all-round persona, with a sound legal knowledge supplemented by fine analytical skills and articulation. The department's curriculum includes the dynamic mooted culture, legal aid services, court visits, debating activities, mock trials and much more. The department of Law offers the courses of Bachelors of Law (LLB) a three year graduate Degree and Master of Law (LLM) a postgraduate course of two years Law can be explained as a system of regulations and rules that are created by an authority in a certain country or community, which when not followed, can result in some sort of punishment or penalty. Law can also be described as a brand of justice. Law is one of the most sought after and long-standing professions in India and has always been one of the most popular courses for Indian students to pursue. There are mainly four types of law which are criminal law, civil law, corporate law, and business law. The main degrees in law are Bachelors of Law (LLB) and Masters of Law (LLM) which are offered by many prestigious institutions in both India and abroad. Students can also pursue specializations in law, which include Tax Law, Corporate Law, Real-Estate Law, Civil Law, Criminal Law, IP Law, and many others.

Law is one of the most sought after and most respected professions in the world. After a student graduates from Bachelors of Law (LLB), he or she can pursue teaching, start practicing the law under another senior lawyer on their own, work in a firm, work for a corporate company as legal contingency and can even go for higher studies and pursue Masters of Law (LLM). Doing LLM helps open up various career paths for the students as after completing the course, the person can work in magistrates and become judges.

Careers in Law: After a person graduates from the law, a variety of different career opportunities open up for him or her. A person can work in the different types of law which are civil law, criminal law, business law, or corporate law. Based on that choice, the person can choose whether he or she needs to decide whether they need to work for a law firm, join the practice of another lawyer, set up their shop, or work for a corporate organization. Studying law even further gives the students an option to work as magistrates.

Eligibility Criteria for Undergraduate Law Course {Bachelors of Law (LLB)}:

- Must have cleared class 12th from a recognized board with at least 40% marks.
- Candidates that hold a Bachelor's degree from any UGC recognized university are also eligible for the program.

Eligibility Criteria for Master's Degree {Masters of Law (LLM)}:

There are mainly four types of law which are criminal law, civil law, corporate law, and business law. The main degrees in law are Bachelors of Law (LLB) and Masters of Law (LLM) which are offered by many prestigious institutions in both India and abroad. Students can also pursue specializations in law, which include Tax Law, Corporate Law, Real-Estate Law, Civil Law, Criminal Law, IP Law, and many others.

Eligibility Criteria for Master's Degree {Masters of Law (LLM)}:

- Must have a Bachelor's degree in law from a recognized university/college.

Candidates must have passed the qualifying exam with a minimum aggregate.

NOTIFICATION ON ANTI-RAGGING

Ragging may be defined as any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or a junior student. It may also be referred to indulging in an undisciplined activity which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear in a fresher or a junior student. Asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student is also considered as ragging. To curb the menace of ragging on higher educational institutions the University Grants Commission has framed anti-ragging regulations in pursuance to the judgment of the Honourable Supreme Court of India dated 8.5.2009 in Civil Appeal No. 887/2009. These regulations are to be mandatorily to be followed by all universities and colleges. To eliminate ragging in all its forms, William Carey University has also adopted the „Zero Tolerance Policy“ towards ragging since its inception. No act of ragging, major or minor shall go unnoticed. No ragger, male or female, student or non-student, shall go unpunished. Strict action will be taken against those who indulge in ragging as per the guidelines given by the UGC. William Carey University has taken several steps to curb the menace of ragging at it premises.

- First and Foremost, the prospectus for admission issued to the aspirants for admission has clearly mentioned that ragging in any form is banned in the institution and anyone indulging in ragging is likely to received deterrent punishment.
- The university has setup a dedicated Anti-Ragging Cell to encourage the students for reporting against any incidents of ragging.
- CCTVs have also been installed at vital points around the university and constant Counselling of students are being done to prevent any such incidents.
- Workshops and Seminars are held every once a year to create awareness among the students.
- Surprise inspection of student accommodation, canteens, recreational rooms etc. are done on regular basis by the members of the Anti-Ragging Cell.
- Anti-Ragging posters are displayed at all prominent places like Admission Centre, Departments, Library, Canteen, Common Facilities etc.
- Each student and every parent are advised by the university to submit an online undertaking every academic year at www.antiragging.in. This is in accordance to the 2nd amendment in UGC regulations.

Strict action will be taken against those who indulge in ragging as per the guidelines given by UGC. Students should report any unsocial behaviour on the campus to the Anti-Ragging Cell of the University.
